AN ACT
PROVIDING RIGHT OF ACCESS TO MEDICAL CANNABIS, ESTABLISHING THE
MEDICAL CANNABIS OFFICE AND PROVIDING FUNDS THEREFOR

Be it enacted by the Senate and the House of Representatives of the Philippines in Congress assembled:

1 **SECTION 1. *Short Title.*** - This Act shall be known as the “Access to Medical Cannabis
 2 Act”.

3 **SEC. 2. *Declaration of Policy.*** - Pursuant to Article XIII, Section 11 of the 1987
 4 Constitution, it shall be the policy of the State to adopt an integrated approach to health
 5 development which shall endeavor to make essential goods, health and other social services
 6 available to all the people at affordable cost. The State shall protect and promote the right to health
 7 of the people and instill health consciousness among them.

8 The State has long pursued intensive and unrelenting campaign against drug trafficking
 9 while it aims to balance and harmonize with the imperative to safeguard people’s right to health.
 10 Accordingly, the prohibitions provided under Republic Act (RA) 9165, otherwise known as the
 11 “Comprehensive Dangerous Drugs Act of 2002”, as amended, and other related laws shall not
 12 extend to medical cannabis intended for the treatment and medication of qualified patients with
 13 debilitating and non-debilitating medical conditions. The State’s policy thus dictates that access
 14 to medical cannabis shall serve only as a delimited exception to the prohibited acts involving
 15 cannabis or marijuana under RA 9165.

16 **SEC. 3. *Definition of Terms.*** - As used in this Act:

- 1 a. *Accredited physician* refers to a licensed physician authorized by the Medical Cannabis
2 Office (MCO), to issue prescription on the use of medical cannabis upon a prior and
3 mandatory clearance from the Dangerous Drugs Board (DDB) that physician is not
4 included in the dangerous drugs watch list of the agency;
- 5 b. *Cannabis* refers to every kind, class, specie or variety of the plant Cannabis, hashish,
6 bhang, guaza, churrus, ganjab, and embraces every kind, class and character of
7 marijuana, whether dried or fresh and flowering, flowering or fruiting tops, or any part
8 or portion of the plant and seeds thereof, and all its geographic varieties, whether as a
9 reefer, resin, extract, tincture or in any form whatsoever;
- 10 c. *Closed locked facility* refers to a closet, room or other comparable, stationary, and fully
11 enclosed area equipped with secured locks or other functioning security devices that
12 permit access only to authorized personnel of the cultivation site and dispensary; or an
13 outdoor area with an enclosed perimeter by chain-link fencing, wooden slats, or a
14 similar material that prevents access by the general public and fully equipped with
15 functioning security devices that permit access only to authorized personnel of the
16 cultivation site and dispensary;
- 17 d. *Debilitating medical condition* refers to any disease that produces one or more of the
18 following: cachexia or wasting syndrome; severe and chronic pain; severe nausea;
19 seizures, or severe and persistent muscle spasms. Debilitating medical conditions
20 include the following diseases: (1) Cancer; (2) Glaucoma; (3) Multiple sclerosis; (4)
21 Damage to the nervous system of the spinal cord, with objective neurological indication
22 of intractable spasticity; (5) Epilepsy; (6) Positive status for human immunodeficiency
23 virus or acquired immune deficiency syndrome; (7) Post-traumatic stress disorder; (8)
24 Rheumatoid arthritis or similar chronic autoimmune inflammatory disorders; (9)
25 Diseases requiring admission into hospice care; and (10) Any other condition that is
26 subsequently identified and allowed by the Department of Health (DOH) through the
27 MCO established under this Act;
- 28 e. *Medical Cannabis* refers to concentrates, topicals, tinctures, edibles, cannabis products
29 such as capsules and oil, including hemp, flower and any other product in their
30 appropriate finished form, and any other derivative in their pharmaceutical formulation
31 which shall have detailed and accurate information regarding the concentration of
32 tetrahydrocannabinol (THC) and cannabidiol (CBD) certified by the MCO to qualified
33 patients for medical purpose;
- 34 f. *Medical use* refers to the use of medical cannabis to treat or alleviate a qualified
35 patient's medical condition or its symptoms and shall include its acquisition,
36 possession, transportation, delivery, dispensation, administration, cultivation, or
37 manufacturing for medical purposes;

- 1 g. *Non-debilitating medical condition* is that which encompasses a range of medical issues
2 that, although not severe or disabling, can still impact an individual's well-being and
3 quality of life. These conditions may include common symptoms, mild disorders, or
4 chronic issues that do not necessarily prevent individuals from carrying out daily
5 activities but can cause discomfort or distress; and
- 6 h. *Qualified patient* refers to a person who has been diagnosed by an accredited physician
7 as having a medical condition or has symptoms associated with medical condition as
8 defined under Sec. 3 (d) and (g), and who, in the accredited physician's evaluation,
9 shall receive medical cannabis as treatment.

16 Department of Agriculture (DA) and such other agencies as may be determined by the DOH.

17 The Secretary of the DOH shall determine the organizational structure and staffing pattern of
18 the MCO in accordance with the revised compensation and position classification system subject
19 to the evaluation and approval of the Department of Budget and Management and in compliance
20 with the Civil Service laws and other pertinent laws, rules and regulations.

21 **SEC. 6. Powers and Functions of the MCO.** - The MCO shall have the following powers and
22 functions:

- 23 a. Formulate, develop, and establish a comprehensive, integrated, and unified rules and
24 regulations on medical cannabis use and strategy to ensure its safety, accessibility,
25 affordability, and availability;
- 26 b. Promulgate rules and regulations in coordination with DDB and DA as may be
27 necessary to carry out the purposes of this Act, including the importation, cultivation,
28 manufacture and manner of safekeeping, disposition, or condemnation of any medical
29 cannabis, and prescribe administrative remedies or sanctions for the violations of such
30 rules and regulations;
- 31 c. Monitor and regulate the importation, cultivation, manufacture, storage, distribution,
32 prescription, dispensation, and sale of medical cannabis by authorized hospitals,
33 clinics, drugstores, accredited dispensaries and other related health facilities and other
34 related private entities. The MCO and DDB shall establish and maintain an information
35 system, especially to track cannabis growth from seed to sale for monitoring and
36 regulation purposes;
